RRP - £110  
Catalogue Description:  
The Joel from Protest are men's snow-pants with suspenders that are popular with boarders, skiers, and freeskiers. The bright green lime colour is sure to make you stand out on the slopes, whilst the high spec Geotech 10K technology that forms part of this seasons performance series will keep you warm, dry, and comfortable with a high waterproof and breath-ability rating combining with a silver mesh lining, and polyester thermax padding. Other features added in by Protest are YKK Zippers, Fully Taped Seams, and plenty of others that are listed below. The suspenders comfortable crossed suspenders are in a striped design, and cross at the back for a secure fit, but if you'd rather not have them they are also detachable so the pants fit your own individual needs.
